Checklist for international travel

1. Confirm your passport is valid for at least six months from when you think your trip will end.

2. Get the right visa for countries you are visiting or moving through.

3. Get comprehensive travel insurance to cover you and your belongings, making sure it covers you for the locations and activities you will be doing.

4. If you are planning to drive, examine the local traffic laws and find out if you will need an International Driving Permit.
